# CHRISTIAN BROTHERS UNIVERSITY STUDENT HEALTH FORM

**TENNESSEE STATE LAW** requires all students entering Christian Brothers University to provide documentation showing their immunizations are up-to-date. Documentation must contain proof of **2 MMR** and **2 Varicella** immunizations or proof of immunity. The MMR is the combination immunization for the Measles, Mumps, and Rubella and the Varicella immunization is for Chicken Pox.

**IMPORTANT NOTE:** Acceptable documentation of immunizations must be submitted to the Office of Admissions before a student can attend as a full-time student. This form is required for all full-time students (12+ hours) and for all graduate students taking 9 or more hours. Forms missing personal information, such as the Student ID number, will take additional processing time and will delay the student's ability to register for full- time credit hours. For questions concerning immunization requirements, please call the Health Resources Office at **(901) 321-3260**.

*This form is designed to meet the legal requirements mandated by the State of Tennessee in order to assure a healthy campus. Tennessee State Law requires all entering college students to have up-to-date immunizations or immunity against measles, mumps, and rubella. Exemptions apply if the student was born prior to 1957, will be attending part-time (defined as less than 12 hours), or if the student graduated from a Tennessee public high school in 1999 or thereafter. If these exemptions do not apply, please have a medical provider complete this portion of the health form. Appropriate official documentation as listed on the form will also be accepted. The General Assembly of the State of Tennessee also requires that colleges inform incoming students of the risk for Hepatitis B and Meningococcal disease. Vaccinations are available to prevent these diseases. If the student chooses not to receive these recommended vaccinations, the waiver portions of the Student Health Form must be signed.*

## IMMUNIZATIONS REQUIRED UNDER TENNESSEE STATE LAW

All students registering as full-time students at Christian Brothers University must provide proof of immunizations. Documentation of two MMR immunizations or proof of immunity for Measles, Mumps, and Rubella and documentation of two Varicella immunizations or proof of immunity for Varicella (Chicken Pox) are required. New students under the age of 22 must show proof of receiving one Meningitis immunization given on or after their 16th birthday. Acceptable documentation and special notes concerning these requirements are listed below. Documentation must be in English. Photocopies and faxed documentation are acceptable as originals cannot be returned.

### ACCEPTABLE DOCUMENTS ARE:

- The Student Health form completed and signed by health care provider
- A copy of an official immunization card
- Shot record from your local Public Health Department
- Official documentation from a prior college or university showing immunization dates
- Proof of Immunity
  - A **positive** result for all three components of the MMR (Measles, Mumps, Rubella) Titer test
  - A **positive** result for the Varicella Zoster IgG (Chicken Pox) test
    - Or if diagnosed with the disease of Chicken Pox or Shingles, the student must provide documentation from a healthcare provider (i.e. physician, nurse practitioner, etc) confirming when the student had the disease.

### MMR – SPECIAL NOTES

- **Adult students** who graduated from a **Tennessee** high school in May 1999 or after may send a copy of their high school diploma or documentation of 2 MMR immunizations.
- Students who graduated from a **Tennessee** high school between May 1979 and May 1998, must provide documentation of ONE MMR immunization given after their graduation date or documentation of 2 MMR immunizations.

#### The following students are not required to provide MMR documentation:

If you were born before 1957, a part-time student (if status changes to full-time, documentation must be provided), or an undergraduate student who graduated from a Tennessee high school in May 1999 or thereafter.

### VARICELLA/CHICKEN POX – SPECIAL NOTES

Students who graduated from a **Tennessee** high school between May 1999 and May 2016, must provide documentation of ONE Varicella immunization given after their graduation date or documentation of **2 Varicella** immunizations

#### The following students are not required to provide Varicella documentation:

If you were born before January 1, 1980 or a part-time student (if status changes to full-time, documentation must be provided)

### NOT ABLE TO LOCATE MMR OR VARICELLA DOCUMENTATION?

#### Your options are:

#### 1. HAVE THE TEST FOR IMMUNITY

- If any component of the MMR Titer test is not positive, BOTH immunizations must be taken again
- If the Varicella Zoster test is not positive, BOTH immunizations must be taken again

#### 2. HAVE BOTH IMMUNIZATIONS AGAIN

Because the immunizations must be given 30 days apart, after the student has their first immunization, a temporary 30 day waiver will be given so the student can register for full-time credit hours.
