

# COVID-19 Isolation Protocol & Expectations

## Christian Brothers University Stritch Hall

In accordance with the Center for Disease Control (CDC), **isolation** is used to separate people infected with SARS-CoV-2, the virus that causes COVID-19, from people who are not infected. Isolation lasts for a period of no less than ten (10) days. After the completion of the isolation period, if one is still experiencing a fever, an individual must continue to isolate until one is fever free without the aid of medication for a period of 24 hours. This protocol applies to all vaccinated and exemption approved, non-vaccinated members of the campus community.

People who are in isolation should stay home until it is safe for them to be around others. In this instance, it is imperative that you stay on the floor that Christian Brothers University (CBU) has provided for you during this your time of isolation.

Bettye Durham, Coordinator of COVID Operations, will be your primary point of contact during your isolation period. Please add her number to your phone. She can be reached via cell phone at (901) 409-4635, via work phone at (901) 321-3254, or via email at [Bettye.Durham@cbu.edu](mailto:Bettye.Durham@cbu.edu). She also utilizes WhatsApp.

If you find that you need anything during your stay, contact Bettye Durham. Additionally, you can call Student Development & Campus Life (SDCL) at (901) 321-3531 or Campus Safety at (901) 321-3550. Since this housing facility is property of CBU, we will assure that maintenance needs are handled. Please notify Bettye or a member of the SDCL staff if maintenance needs arise during this time. Please note that if maintenance needs to take place, you may be asked to stay in your room while a professional maintenance company enters the floor to make repairs. A CBU staff member will be on site while the repairs are taking place.

### **During your time in quarantine, Christian Brothers University expects the following:**

- **Do not leave the floor that you have been assigned, unless you are putting trash in the trash receptacle on the fire escape.** Also, no one is allowed to enter the floor or visit without prior authorization from Christian Brothers University staff. This is for your safety and the safety of others. If you decide to return to your **home** to complete your isolation, please notify Bettye Durham or the Office of Student Development and Campus Life.
- CBU will make welfare checks to check your physical and mental well-being during your time in isolation. Make every effort to answer your phone or the door when a CBU staff member calls or visits. **ALWAYS WEAR A MASK WHEN YOU LEAVE YOUR ROOM OR INTERACT IN PERSON WITH OTHER INDIVIDUALS.**
- Trash bags have been provided and placed in the laundry room on each floor of Stritch. Please place all of your trash in the bags and place them in the trash can provided by Aramark on the fire escape of Stritch Hall. Someone will be by daily to collect the trash.
- You are assigned a shower stall and stool based on your room. Please use these assigned facilities and **only** these facilities during your stay.

I, \_\_\_\_\_, understand that due to my positive COVID-19 test results, I must complete **at least** ten (10) days of isolation. I understand that the rules and expectations set forth in the CBU Compact for Residential Students will be applicable during my time in isolation; henceforth, I understand that if I am found in violation of any of these rules, disciplinary action can and will be taken against me by the University.
