

COVID-19 Campus Quarantine/Isolation Protocol & Expectations

In accordance with the Center for Disease Control (CDC), **quarantine** is necessary when you have been in close contact (within six feet for a total of 15 minutes or more) with someone who has COVID-19, unless you have been fully vaccinated, while **isolation** is used to separate people infected with SARS-CoV-2, the virus that causes COVID-19, from people who are not infected. Isolation and quarantine each last for a period of no less than five (5) days. After the completion of the isolation or quarantine period, if one has tested positive and/or has symptoms, an individual must continue to isolate until one is symptom-free without the aid of medication for a period of 24 hours. Students in quarantine who test positive will move to 'isolation' status and restart counting days.

You can call Student Development & Campus Life (SDCL) at (901) 321-3531 or Campus Safety at (901) 321-3550 if you need anything during your stay. Since this housing facility is property of CBU, we will assure that maintenance needs are handled.

Please notify a member of the SDCL staff if maintenance needs arise during this time. Please note that if maintenance needs to take place, you may be asked to stay in your room while a professional maintenance company enters the floor to make repairs. A CBU staff member will be on site while the repairs are taking place.

During your time in quarantine or isolation, Christian Brothers University expects the following:

- **Do not leave the location that you have been assigned, unless you are putting trash in the trash receptacle.** Also, no one is allowed to enter the floor or visit without prior authorization from Christian Brothers University staff. This is for your safety and the safety of others. If you decide to return to your home to complete your isolation, please notify the Office of Student Development and Campus Life.
- CBU will make welfare checks to check your physical and mental well-being during your time in isolation. Make every effort to answer your phone or the door when a CBU staff member calls or visits. **ALWAYS WEAR A MASK WHEN YOU MAY INTERACT WITH ANOTHER PERSON, EVEN IN YOUR ASSIGNED LOCATION.**
- Trash bags have been provided for your health and convenience. Please place all of your trash in the bags and place them in the trash can provided by Aramark. Someone will be by daily to collect the trash.
- Please use the assigned bathroom facilities assigned and do not permit anyone else to share your assigned facilities during your stay.

I, _____, understand that due to my positive COVID-19 test results, I must complete at least five (5) days of isolation. I understand that the rules and expectations set forth in the CBU Compact for Residential Students will be applicable during my time in isolation; henceforth, I understand that if I am found in violation of any of these rules, disciplinary action can and will be taken against me by the University.
