LAST UPDATED: November 2022
TENNESSEE STATE LAW requires all students entering Christian Brothers University to provide documentation showing their immunizations are up-to-date. Documentation must contain proof of 2 MMR and 2 Varicella immunizations or proof of immunity. The MMR is the combination immunization for the Measles, Mumps, and Rubella and the Varicella immunization is for Chicken Pox.

Christian Brothers University strongly encourages members of the student body to receive an annual influenza vaccination and remain current on COVID-19 vaccinations and/or boosters. The University also reserves the right to mandate vaccines as directed by the Centers for Disease Control (CDC)

IMPORTANT NOTE: Acceptable documentation of immunizations must be submitted to the Office of Admissions — or Graduate program administrator — before a student can attend as a full-time student. This form is required for all students. Forms missing personal information, such as the Student ID number, will take additional processing time and will delay the student’s ability to register for full-time credit hours. For questions concerning immunization requirements, please call the Division of Student Development & Campus Life at (901) 321-3531.
